Dr. Aaron Milavec  
Studies in Religion & Society  
University of Victoria

We, at the Learning and Teaching Centre, would like to thank you for your contribution to our program in January, 2003. Your presentation at the Problem Based Learning was a great success. It is only through the generous contribution of time and effort by individuals such as yourself that we feel we are able to influence the general development of an outstanding learning environment for UVIC students and faculty.

Your energy and enthusiasm was infectious and you were able to deliver information in a compelling and pragmatic way. You were very humble in sharing your own revelations and this created a climate for openness and exploration.

Thank you for your ongoing support of the Learning and Teaching Centre.

Sincerely,

Dr. Gweneth Doane  
Acting Director  
Learning and Teaching Centre
